### DROP-OFF INSTRUCTIONS

For your safety, please observe the following regulations in preparing for your visit to the HHW facility or a temporary event:

- A maximum of 16 gallons or 125 pounds may be transported per vehicle, per trip, according to Department of Transportation regulations. It is illegal to exceed these limits.

**Materials**

- should be in original containers (except motor oil, fuels, and antifreeze).

**Equipment**

- Make sure all containers have lids, are sturdy, non-leaking, labeled, and protected from breakage.

- The HHW facility is unable to accept containers larger than 5 gallons.

**Bonuses**

- Containers will NOT be returned, except for oil containers, which can be returned upon request.

- Do not mix oil-based paint with latex paint.

---

**TULARE COUNTY RESIDENTS ONLY**

### SHARPS DISPOSAL

Purchase a Certified Sharps Disposal Container at your local sharps retailer.

- Once the container is 3/4 full, seal it, and drop it off at the pharmacy where you purchased your sharps.

### PRESCRIPTION DRUGS

Purchase a prepaid, mail-back prescription pouch at your local pharmacy.

- Participate in the D.E.A. “Got Drugs” events held in April and October of each year. Call (559) 713-4531 for more information.

- Do NOT flush sharps, syringes, lancets, prescription drugs, vitamins, or supplements down the toilet or throw them in the trash, recycling, or yard waste container.
